No. Tfc/GZZY-241/NLP-M.

Dated, the 7th April, 2023.

TRADE CIRCULAR

Sub: Mandatory use of NLP Marine Portal for exchange of messages.

Since inception of the NLP Marine (NLP-M) Portal as an upgraded version of Port Community System (PCS), all the concerned user agencies were requested through formal / informal discussions to maximize the use of NLP Marine Module for interchange of relevant information pertaining to vessels and cargo.

However, it has been observed that the user agencies, in general, are not availing the NLP-M Portal facility to the optimum level for exchange of relevant messages. In view of the same, the competent authority of Kolkata Dock System (KDS), SMPK has decided that w.e.f. 10.04.2023 onwards; no services will be rendered to the vessels and cargo by KDS, if the relevant information is not submitted through the NLP-M Portal.

All registered Port Users are requested to take urgent note of the above and use NLP-M Portal mandatorily.
