TRADE CIRCULAR

SUB: Mandatory use of PCS 1X Payment gateway w.e.f 01.04.2020

PCS 1X payment gateway was made operational w.e.f 11-12-2018. However, after a number of customers reported delay in getting credit against money paid to Port due to technical issues relating to the new payment gateway, Haldia Dock Complex started accepting payment of port charges through RTGS/NEFT mode also in addition to PCS 1X payment gateway.

However, it is now observed that the PCS 1X payment gateway has stabilized and payments made by customers to Port are getting credited in time. As getting credit against payment made through PCS 1X does not require any manual intervention, the gateway is presently being used by a number of customers.

In view of the above, it has now been decided to discontinue the system of accepting payment of Port charges directly to Bank Account of Port through RTGS and to accept payment of Port Charges relating to **Vessel, Cargo, Container and Railway Related Services** as well as payment to **LCAN Account** towards short term allotment in Dock Interior Zone, only through PCS 1X with effect from 01 April 2020. The Customers are requested to start using the PCS 1X payment gateway for making the said payments to HDC.

It may kindly be noted that w.e.f 01 April 2020, use of PCS 1X will be mandatory for making payment of the said Port Charges of Haldia Dock Complex.

For any issues faced while using PCS 1X, please email the same to the below mail ids:

- support.ipcs@nic.in
- CC: pcs.hdc@kolkataporttrust.gov.in
- CC: bpatra.hdc@kolkataporttrust.gov.in

All valued customers of HDC are requested to kindly take note the above for compliance.
