Sub:Augmentation of Fire Fighting facility at OT-II as per OISD-156 Guidelines – Commissioning of OT-II.

The commissioning of the Outer Terminal Jetty – II was completed in March 2022 and thereafter HDC has been handling edible oil in the said jetty. HDC has already augmented the Fire Fighting facility at OT-II as per OISD-156 Guidelines for handling POL products. All concerned are hereby informed that PESO, Nagpur has already accorded permission of the newly installed firefighting facilities at Outer Terminal Jetty – II (OT-II) and presently POL products can be handled at OT-II.

All Importers are hereby requested to upgrade their pipelines and take necessary approval from PESO, Nagpur for handling POL products at OT-II.

All concerned are advised to be guided accordingly.
