Dated, the 22nd January, 2024.

TRADE CIRCULAR

Sub: Blocking of demurrage and power supply charges of Import and Export containers lying in the Docks beyond 30 days from the Last Landing Date (LLD) and date of gate receiving respectively.

It has been decided by Competent Authority of SMPK that blocking of demurrage and power supply charges will be done for all import/export containers lying in the docks beyond 30 days from the last landing date (LLD) and date of gate receiving (DGR). The blocking will commence after 30 days of LLD/DGR and every 10 days thereafter till delivery/shipment of import/export containers respectively.

The above is in addition to what is already in vogue for blocking of service charges for containers.

The new blocking mechanism will come into effect on and from 01.02.2024.

All concerned may please be guided accordingly.
