## TRADE NOTICE

**Sub: Modification in Policy for Short Term License Allotment upto 30 days inside Docks at KDS**

All Concerned

The Board of SMPK has accorded approval for circulating the following modifications in the policy for Short Term License Allotment upto 30(thirty) days inside Docks at KDS for storage of transit dry bulk/ break bulk cargo. The proposed modifications are also being hoisted in our website.

The initial license will be allocated for 30 days. However, the port user may handover the license at the end of 10 or 20 days with 3 working days' notice in advance. The license fee and electricity charges for unused period will be refunded to the PD account of the user. Such handover will be applicable only during the license period and not during the compensation period.

Port users will maintain Port Deposit Account (PDA) with minimum balance of Rs. 1,00,000/- and the same may be linked with NLP-Marine for making subsequent payments. System will block the License fee & SD amount automatically in the PDA. All others terms & conditions remain same.

All stakeholders/Port users/ User Associations are requested to peruse the proposed changes and offer their comments on the same latest by 23<sup>rd</sup> May'24.

Concerned stakeholder/Port user/ User Association may forward their comments on the abovementioned changes in Short Term License Policy by sending emails to following officials of SMPK.
