Dated: 02.08.2024

TRADE CIRCULAR

Sub: Dock Entry Permit for Vehicles

All Concerned

RFID based Permit System was introduced in place of Manual Permit System starting from May'2020. As per current SOP, authenticity of vehicle documents needs to be verified from m-Parivahan application, developed by Ministry of Road Transport & Highways.

All stakeholders are requested to adhere to the above said guidelines and no vehicles will be permitted to enter docks w.e.f 01/11/2024, if vehicles details are not available in m-Parivahan application. All concerned should take suitable action accordingly.

In case of server failure of m-Parivahan application or RFID system, vehicles will be allowed to enter based on undertaking and papers will be authenticated by M/s Comvion upon restoration of server.
