Ref.No. Tfc/GZZY 241/ Congestion

April 3, 2019

### CIRCULAR

#### Sub : Stayal of Trailers inside the Docks

It has been noticed that the trailers / trucks with annual permit are staying within the yard in the Container Terminal and in other areas of the Dock even though they have no work. Similarly trailer/truck drivers are staying for prolonged period in the Dock even though their work is either complete or there is no work. This is causing serious congestion inside the Dock and also posing potential security risk.

It is accordingly directed that trailers/trucks having no work should not stay in the Docks even though they possess annual permit. Further the trailer/truck drivers should not stay in the Docks if their work is completed or there is no work in the yard.

All Concerned are advised to ensure strict compliance of the above with immediate effect.
