Harbour Master (Port)'s Office

Date : 09.06.2022

No. Mrn/HMP/32/3/157.

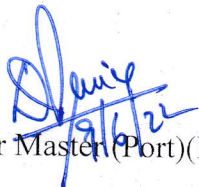

NOTICE

In presence of capsized vessel MV Marine Trust 01 at No.5 berth at NSD, following restrictions will be observed temporarily :

- (i) In absence of any vessel at No.3 berth of NSD, 540ft. will be the maximum acceptable size at 4 NSD berth.
- (ii) In presence of a vessel at No.3 berth, maximum acceptable size of a vessel will be decided as follows -

Maximum size at 4 NSD berth = 540 ft. – (beam of the ship at 3 NSD + 20 ft)
- (iii) Vessels bound for 4 NSD, having length more than 440 ft., ADM and DP may use the 3rd Tug, depending on prevailing weather condition and characteristics of the ship. Use of third tug should be decided judiciously, proper log entry to be made. Use of the extra tug will be on "Port Account", which needs to be mentioned in the Log Book.
- (iv) Vessel bound for 4 NSD can be berthed both on port side and starboard side.

Restrictions for No.4 berth will be withdrawn once MV Marine Trust 01 is salvaged and cleared from No.5 berth of NSD.
