

World Environment Day observed at Kolkata Port

With more and more emphasis being laid on the environment, Kolkata Port Trust has embarked on a systematic programme to improve the quality of life at Kolkata Dock System and Haldia Dock Complex. To improve labour productivity and office output, cleanliness and expansion and impact of greenery are highly essential. Looking into the importance of anti-pollution drive in the river region adjacent to the docks and to increase pollution-minimisation drive on the operational area on the occasion of World Environment Day on 5th June, 2015, Kolkata Port Trust authorities have asked every department of Kolkata Dock System and Haldia Dock Complex to appreciate the magnitude of world environment day and accordingly they should try to improve upon the physical environment of the port and the related water region upto Sandheads so that quality of work and work culture within the port improve. Today, Shri R. P. S. Kahlon, Chairman, Kolkata Port Trust planted trees on vacant land adjacent to the rail line near 4 Netaji Subhas Dock Gate of Kolkata Port Trust where Dy. Chairman, all the Heads of Departments, staff and workers of Kolkata Port Trust joined the environment-friendly programme.

Shri R. P. S. Kahlon, Chairman, Kolkata Port Trust is planting saplings at the 4 NSD of Kolkata Port Trust while Shri G. Krishnakumar, Dy. Chairman, Shri A. K. Jain, Chief Engineer, Shri S. Bagchi, FA & CAO, Smt. S. Pradhan, Secretary (I/C) and other senior officers of Kolkata Port Trust look on.
