The above list has been drawn by taking into consideration the top 10 candidates who have qualified in the written test in order of merit against each vacancy for the respective posts, subject to reservation rules. However, in the event of multiple candidates securing same marks in the bottom most position under consideration, so as to reach the ratio of 1:10, higher number of candidates have been called. [For example : If in a situation where there is only one vacancy in a particular post, where one candidate each has qualified from 1st to 8th merit position and 5 candidates have qualified with same marks in the 9th merit position, then the top 8 candidates, along with the 5 candidates securing same marks in the 9th merit position (i.e. total 13 candidates) have only been called for the interview]
