TRADE CIRCULAR

In the recent past, Port has invested substantial money for upgrading its rail infrastructure and has now enabled full rake handling at NSD. In order to achieve higher throughput and attract more traffic through rail, the Competent Authority has approved upfront discount of 50% in Rail Haulage Charge for Export Rail Containers for the Exporters subject to fulfilment of the following condition:

- 1) Exporters who have handled minimum of 10,000 TEUs Export Rail Containers through KDS in the previous year and commit to increase the Export Rail Container volumes during the concession period by 20% against the corresponding period in the previous year.
- 2) If the Exporter fails to fulfil his commitment to increase the volume through rail, he will not be considered for further discounts against this scheme in future.

This scheme shall be initially valid for a period of six (6) months with effect from 01.03.2020 (From 1st March, 2020 to 31st August, 2020). Eligible customer may submit an application cum undertaking to avail this facility
