Matter is taken up for hearing on being assigned to me. It is seen from records that an application dated 21.10.2022 has been filed by SMPK referring to an application dated 15.06.2017 filed by them. It is seen that the application dated 15.06.2017 is not on record. Be that as it may, perused the application dated 15.06.2017. It has been submitted in the said application dated 15.06.2017, that O.P. has been granted fresh long term lease and in view of that the application dated 23.08.2005, has become infructuous.

As the application in question based on which the proceedings were initiated has become infructuous, let the matter be dropped. All concerned are directed to act accordingly.
