1.	Last time of Original Bid Documents fees submission time must be after the last time of closing the online e-tender. So please extend the time till 04.01.2022 up to 2 pm	The request of the intending bidder is not acceded to clause. Sl. No. H (ii) of SOT of NIT remains unchanged.
2.	As per clause no 7.10.1 page no -26 of the NIT, we request to adjust/payment for excess or less trip beyond the ceiling 200 trips may done on monthly basis. Otherwise we may face problem regarding GST.	As per the provision of the clause 7.10.1 of Tender Document, the reconciliation of trips for calculation of any excess trips beyond prescribed ceiling level for a launch will be done on every six-monthly basis. The request is not acceded to. The clause 7.10. remains unchanged.
3.	Existing rate for trip per launch for excess trip is Rs 770/- This cost includes both fixed and variable cost. But unfortunately you have fixed the existing rate for the new tender. Neither price index for fixed cost (Salary of launch crews and launch hire charges) nor the price escalation for fuel charges has been taken into consideration. So we request you to allow price escalation and price index effect for the rate of excess trip beyond 200 trip.	The escalation of price index for fixed cost (Salary of launch crews and launch hire charges) is being taken into consideration under monthly composite rate of a launch. The price escalation account fuel charges will be given as per the provision of clause 7.11 of the Tender Document. The request is not acceded to. The clause 7.10 of the Tender Document remains unchanged.
4.	Please kindly clarify in detail regarding fuel escalation clause whether it will be done on daily basis after 5%+/- of fuel price.	The relevant clause 7.11 of the Tender Document may be referred to in this regards.
5.	Please allow 15 days maintenance period per year. During this maintenance period please neither pay hire charges nor deduct any penalty charges for same.	The launch as per the provision of the tender at clause 2.5, the launch shall have to be supplied at operated per day by the contractor for all the day in a month. Considering the requirement of the launch, the request is not acceded to. In this regard, the relevant clause 2.5 of the Tender Document remains unchanged.
