|  |   |   |
|--|---|---|
|  | <p>shown above at iv(b) would be computed for each key resource person of each bidder and this would then be ranked on percentile basis with the highest score amongst all bidders getting full points. For example, if the highest no of eligible assignment undertaken by any Team Leader-cum Project Coordinator is say 20, points awarded would be 10. Another Team Leader-cum Project Coordinator, securing a combined score of say 15 would be getting <math>10 \times 15 / 20 = 7.5</math> points.</p> | <p>would then be ranked on percentile basis with the highest score amongst all bidders getting full points. For example, if the highest no of eligible assignment undertaken by any Team Leader cum Infrastructure Planner is say 20, points awarded would be 12. Another Team Leader cum Infrastructure Planner, securing a combined score of say 15 would be getting <math>12 \times 15 / 20 = 9</math> points.</p> |
