Dear Sir(s),

Re: - Tender for Repairing & replacement of old damaged steel & wooden members of gangway pontoon etc at D.H. Jetty including through painting of all the structural members of pontoon jetty and other misc. works at Diamond Harbour in the dist of 24 Parganas (South).

You are invited to tender for the above in accordance with the Trustees' General Conditions of Contract, Special Conditions of the Contract and Specification for materials & workmanship for this particular contract, drawing and preamble to the Bill of Quantities.

1. Eligibility Criteria : Tenderer should have experience in . construction/maintenance of M.S. Structural works /repairs to gangway pontoon Jetty works or have successfully completed similar works as above during last 7 years ending at the last day of the month previous to the one in which applications are invited which should be either of the following: -

(A) "to the one in which applications are invited which should be either of the following: -

(a) **Three similar completed works each costing not less than the amount equal to 40% of the estimated value.**

(b) **Two similar completed works each costing not less than the amount equal to 50% of the estimated value.**

(c) **One similar completed works each costing not less than the amount equal to 80% of the estimated value.**

(B) **Registration under Employees Stated Insurance Corporation Act.**

(a) **All intending tenderer at the time of tender shall disclose all necessary documents as to whether they are covered under ESI Act or not.**

(b) **In case they are covered under ESI Act, they have to furnish the details of registration No. , failing which their tender would be liable to be cancelled.**

(c) **In case they are not covered under ESI Act or exempted, they would furnish necessary documents along with an affidavit affirmed before a first class Judicial Magistrate on Non-Judicial Stamp paper of Rs. 10.00 as per enclosed proforma in ANNEXURE-"B" to that effect.(d) In case they are not covered under ESI Act, they must additionally indemnify KoPT against all damages and accident occurring to his labour in non-judicial stamp-paper worth Rs. 50.00 in the enclosed format ANNEXURE "A".**

2. The Trustees' General Conditions of Contract for the said tender (rest of the documents like Special Conditions of Contract, Technical Specifications, Bill of Quantities etc. are attached herewith) may be inspected at this office during office hours.

3. The tenderers, who are tendering beyond their financial limit as per their class of enlistment with KoPT, as per Rules, are requested to deposit with KoPT's Financial Advisor & Chief Accounts Officer a sum of Rs. 6,100/- as Earnest Money before submission of the tender. The original receipt must be attached with the tender without which the tender may be disqualified. This amount will be refunded to the unsuccessful tenderers without any interest. In case of being successful tenderer, this amount will be adjusted against the Security Deposit as per the relevant clause of the G.C.C.

4. In case of the tenderer who has already deposited a permanent security with the KoPT as per the rules, he shall be bound by the Clauses of General Conditions of Contract pertaining to Earnest Money and Security Deposits for Registered Contractors.

5. The rates quoted by the Contractor must be valid upto 120 days from the date of opening of the tender.

6. The rate quoted by the tenderer should be complete in all respect and should include all taxes, octroi, surcharge etc. and no extra payment, whatsoever will be entertained by the Trustees under any circumstances.

7. While quoting the rate it should be noted that the tenderer should on no account overwrite the figures. Any necessary correction should be made by canceling the original figures and writing the corrected figures on the top. All such corrections should be initialed by the tenderer. If the figures are tampered with, the tender shall be rejected.

8. If there is any disparity between the quoted rate in percentage and the Tender Amount, the rate quoted in percentage shall prevail as the rate quoted by the tenderer and the Tender Amount shall be derived by adding/subtracting (as the case may be) this percentage with/from the Estimated Value put to tender. Similarly in case of disparity between the rate quoted in figures and in words, the rate quoted in words shall prevail.

- | | | |
|---|-----|--|
| 9 | (a) | Bidder shall not use white ink for correction at any place of the tender paper. |
| | (b) | Non-conformation to the instruction at point No. (a) shall be treated as non-responsive and Hence, may disqualify the Tenderer |

10. The tender duly filled in, totalled and signed in all the pages shall be submitted in sealed cover superscribed the above name of work so as to reach this office within 3 P.M. on 14.08.2015 circular Garden Reach Road, Kolkata-43. The tender will be opened shortly after 3P.M. on the same day and the intending tenderers or their authorised representatives may attend. In the event of any unforeseen circumstances such as holidays, bandhs, strikes etc. on that day, the tenders may be submitted by 3 P.M. on the next working day and will be opened shortly after 3 P.M. on the same day. All other conditions shall remain the same. The undersigned does not bind himself to accept the lowest or any tender or to assign any reason therefore and also reserve the right to accept or reject any or all the tenders in part or whole.

11. Turn Over: The Average Annual Financial turn over of the intending Tenderer during the last 03 (three) years ending 31ST March of the previous financial Year should be at least 30% of the estimated amount put to tender

12. **All intending Tenderers shall have furnish detail of E.P.F. Registration failing which their tender would be liable to be cancelled**

Encl: - All papers as stated above.

Yours faithfully,

वशिष्ठ कार्यकारी अभियंता, आर. टी
Senior Executive Engineer,
River Training

SPECIAL CONDITION

1. Scope of work: The work mainly minutes of the following

- (i) Steel & Wooden works in planks & fender .
- (ii) M.S. Structural works
- (iii) Painting works of the M.S. , wooden & masonry structural members
- (iv) Dismantling Works & plastering works
- (v) Other appurtenant works as mentioned in the B.O.Q as required and directed by the Engineer – in-Charge for successful completion of the works .

2. Location of work.

The work site is located at Diamond Harbour under the Dist. of 24-Parganas (South) about 50 km from Kolkata. The tenderer shall visit the site of work and acquaint himself with the exact nature, scope and site work before quoting the rates. No claims for any extra payment will be entertained under any circumstances after opening of the tender. The tenderer shall bear in mind that least possible inconveniences to be created for users of essential facilities located with in or in the vicinity of the works site during the tenure of his works

3. (a) Materials and Testing.

The Contractor shall make his own arrangement for supplying all materials at site. Materials supplied by the Contractor shall essentially conform the relevant Indian standard stipulated under CI No. 16. Testing of any materials (if required and as directed) shall have to be carried out at the laboratory to be recommended by the Engineer-in-Charge. No payment will, however, be made to the Contractor towards charges for testing which are not mentioned in the Bill of Quantities but to be done as per the codes and specification. It will be obligatory on the part of the successful tenderer to get prior approval of the Engineer-in-charge or his authorised representative of the materials brought at site by the contractor for their use in the job.

(b) Contractors' responsibility for material & workmanship.

The Contractor shall arrange for control of quality of materials and workmanship through running supervision by sufficiently experienced/ qualified supervisors engaged by him. The Contractor shall not be relieved from the responsibility for quality and workmanship of any executed work even if it is supervised by KoPT personnel during execution. All executed works are subjected for testing, if considered necessary by the Engineer-in-Charge. The materials supplied by the contractor shall be of approved quality and approval also shall have to be taken from the Engineer at site before using the materials to the work. Rejected materials , if any, shall have to be removed by the contractor with his own cost immediately on receipt of the instruction.

4. Water/ Lighting arrangement.

Water supply for drinking and construction purpose may be available from the Trustees' source at near the site. Contractor shall have to make his own arrangement and at his cost to draw water from the available source up to the work point. In case of non-availability of such supply, the Contractor will have to make his own arrangement for such supply at no extra cost to the Trustees. Charges will be deducted from the Contractor's bill as per the prevailing rate.

Contractor shall have to make his own arrangement for electricity as may be required for the work.

5. Temporary works for storage of materials and labourers' shed.

The Contractor shall make his own arrangement for constructing temporary shed for labourers and storage of materials at his own cost taking proper care of guarding the environmental pollution as approved by the Engineer.

6. Protection of existing service.

The work site is at Diamond Harbour. The existing work facilities and service shall be duly protected by the contractor. Any damage to the existing structure or service done in the process of new construction shall be made good at the cost of the contractor immediately on intimation from the Engineer-in-Charge.

7. Clearing site after completion.

On completion of works the Contractor shall remove all the debris and surplus unserviceable materials from the site and reinstate the original condition at his own expense. Any serviceable surplus dismantled materials shall be stacked within the KoPT premises of Diamond Harbour in a suitable place as directed by the Engineer's representative.

8. Method of measurement and payment.

The Contractor shall be paid on actual measurement of the finished work on the basis of quoted rates in the priced Bill of Quantities. It is to be clearly understood that this is not a lump sum tender.

All payments including on-account payments shall be arranged as and when required at the discretion of the Engineer and as provided for in Clause No.6 of the General Conditions of Contract.

9. Escalation of price.

No escalation on prices of labour, material and P.O.L. will be entertained whatsoever for the work.

10. Forwarding of the dismantled materials.

The unserviceable dismantled materials to be forwarded by the successful tenderer at his own cost to the Trustees' stack yard / stores or at any other places as directed by the Engineer-in-charge or his authorised representatives.

11. Time of completion.

The work is very urgent in nature and should be completed in all respects within the period of 3(three) Calendar months from the date of placement of order.

12. Working period.

Normally the work will be carried out between 8 A.M. to 5 P.M. on the Trustees' working day only. In case of any deviation from this the Contractor shall have to take prior permission from the Engineer-in-Charge.

13. Discrepancies in contract documents.

In case of any discrepancies in the tender, the relevant Clause of General Conditions of Contract shall apply and the decision of the Engineer-in-Charge is final and binding on the Contractor regarding interpretation of any Clauses.

14. Employment of Local Resources.

The Contractor shall pay special attention to engage the maximum possible number of Engineers, other technical personnel, other workers and labourers from amongst the local people.

15. Labour Regulation & Abolition Act.

The Contractor shall be required to comply with the Minimum Wages Act 1948, Employees Liability Act 1938, Industrial Act 1947 and the Contract Labour (Regulation & Abolition) Act 1970 or Statutory amendment and the modification thereof or any other laws relating thereto and the rules made there under from time to time.

It will be the duty of the Contractor abide by the provisions of the Acts, Ordinances, Rules, Bye-laws, Procedures as are lawfully necessary in the execution of the works. The Contractor will be fully responsible for any delay, damage etc. and shall keep the Trustees' Engineer Indemnified against all penalties and liabilities of any kind for non-compliance or infringement of any such Acts, Ordinances, Rules, Regulations, Bye-laws and Procedures.

The Contractor shall indemnify the Trustees against payment to be made under or for the observance of the laws aforesaid without prejudice to his right to claim indemnity from his business associates.

16. Specifications/Codes & Standards.

All works under the contract will be executed according to the spirit of the Trustees' Specification for works. Whenever the details are not specifically covered in the specifications, relevant provisions in the latest revision and/or replacement of the Indian Standard Specifications (I.S.) or any other International Code of Practice/ CPWD Specification will be followed. The Contractor shall have to procure copies of such Codes/Standards for ready reference of his own Technical personnel as well as the Trustees' Engineer at site at his own cost and without any additional reimbursement.

17. Plants & Equipment.

All constructional plants and equipment shall have to be supplied by the successful tenderer for completion of the job at his own cost. However, any plant, if available, with the Trustees' rate. Intending tenderer should note that resulting delay due to late deployment as well as deployment of improper/and inadequate

plants and equipments in the work will not be considered while considering the extension of time of the Contractor.

18. Kolkata Port Trust:

The expression "**Calcutta Port Trust**" appearing anywhere in the tender documents, shall be constructed to read as "**Kolkata Port Trust**".

As KOPT is not a Registered Body Corporate, it is not liable to Pay service tax under "Reverse Charge Mechanism" as per Service Tax Law. The service provider is liable to recover service tax as applicable"

22) Defect Liability Period:

The defect liability period for the work is 1 (One) year from the date of completion. During this period, if any defect arises the contractor is bound to repair the same or take any other action as directed by the Engineer including replacement of the defective portion and redoing the same at his own cost **within 7 days in case of repairing and 21 days in case of replacement and re-doing from receipt of such instruction** failing which the work may be done by the Trustees' by some other agencies and the cost of which including 19¹/₄ % departmental charges will be recovered from the security deposit or any other dues of the contractor.

23.. All intending Tenderers shall have furnish detail of E.P.F. Registration failing which their tender would be liable to be cancelled
