The tenderer shall visit the site of works and acquaint him with the exact nature, scope and site of work before quoting his rates. No claims for any extra payment will be entertained under any circumstances after opening of the tender on this account.
3. **Working Period:** Normally the work will be carried out between 8 A.M. to 5 P.M. on the Trustees' working days only. In case of any deviation from this the contractor shall have to take prior permission from the Engineer. However, the tenderer should note that he might be required to carry out the job on Sundays, holidays and after normal working hours and at night in addition to the normal working hours as per requirement of work for which no additional payment shall be made beyond the quoted rate.
4. **Time of Completion:** The work is periodic in nature and is required to be executed during 12 (twelve) months from the date of placement of Work Order.
5. **Site Godown and Watching:** The contractor shall have to make his own arrangements for construction of site godown (if any) for storage of materials and security thereof during day and night at his own cost. The godown and other temporary structures, if erected, are to be dismantled by the contractor before leaving the site after completion of the work at his own cost to leave the site at its initial condition. The Trustees' will, however, allow the construction of godown on the Trustees' land free of rent during execution of the work.

6. **Forwarding of Materials:** All dismantled unserviceable materials are to be disposed off beyond the office compound and in conformity with the Municipal/ Corporation Rules at the contractor's own cost. The contractor shall have to arrange transport for forwarding any usable/ saleable materials that may be found during the process of execution of the work to the Trustees' Sales Yard or any other Site/ Godown including labourers, transportations, loading, unloading all complete as per the direction of the Engineer's representative. No separate payment will be made to the contractor on this account unless specifically mentioned in the B.O.Q.
7. **Materials and Transport:** All materials required for successful completion of work shall have to be procured and supplied by the successful tenderer at his own cost. The materials supplied by the contractor shall be of approved quality and approval also shall have to be taken from the Engineer before using the materials to the work. Rejected materials, if any, shall have to be removed by the contractor with his own labour and transport at his own cost immediately on receipt of the instruction.
8. **Testing of materials:** Testing of any material shall have to be carried out at the authorised / renowned testing facilities acceptable to the Engineer's representative. No additional payment will however be made to the contractor towards charges for testing which are not mentioned in the BOQ but to be done as per the codes and specifications.
9. **Supervision, Tools & Equipments:** - The contractor shall have to engage sufficient number of qualified and skilled persons to supervise and execute the work. The contractor should arrange for all necessary tools, plants and equipments etc. required for successful execution of work at his own cost.
10. **Escalation/ variation in Prices:** No escalation/ variation on prices of labour as well as materials will be considered for payment.
11. **Errors in the B.O.Q:** In case rate of particular item is printed erroneously in BOQ, the rate stated in the Schedule of rates will prevail over the rate misprinted in BOQ.
12. **Electricity:** Necessary arrangement for electrical connection is to be made by the contractor at their own cost. If required, KoPT may provide electrical connection on chargeable basis as per prevalent rate.
13. **Security Restrictions :-** Keeping in mind the security rules and regulations applicable at Trustees' offices / other premises regarding entry and exit, the successful tenderer shall arrange for necessary permit / ensuring identity of workmen as and when required for men , material and vehicle at no extra cost to the Trustees.
